

## LEGEND launches into Indonesia at the Indo Expo 2005

**Jakarta, Indonesia - (February, 2005).** As part of its ongoing advancement in South East Asia ASX listed Legend Corporation last week participated in the Indonesian Expo which is regarded as the most essential and strategic trade exhibition in the archipelago. Legend products and staff were featured throughout the event with Legend Corporation CEO Bradley Dowe present to meet key industry leaders "We see great potential within the Indonesia market, the massive populous is perfectly suited for Legend to market our globally competitive products".

Various Seminars with national and international Keynote Speakers, Regional Business Presentation, Workshop and Business Contacts were conducted throughout the event and featured over 800 exhibitors both from throughout Indonesia and abroad.

Hidayat Tjokrominoto, President of Indonesia Computer Business Association is welcomed by Legend CEO Bradley Dowe.

### **About LEGEND**

Legend is a leading Australian electronics engineering and manufacturing company that designs, manufactures and distributes memory based products including memory modules and related computer components. Legend is globally competitive with operations extending throughout Australia, New Zealand, South Africa, Asia and Europe. Legend was established in 1989 and commenced manufacture operations in 1993. LEGEND has manufacturing facilities in Adelaide, South Australia and Johannesburg, South Africa. Legend has a broad range of clients from key global clients including Dell, Hewlett Packard, Acer and NEC to major Australian based computer assemblers including IPEX, ASI and Optima through to major merchandising chains such as Harvey Norman, Dick Smith Electronics, Kmart and Myer.
