

Legend recognised as a top 25 Fast Mover

Adelaide, December 2, 2005 — South Australian headquartered Legend Corporation has been recognised as one of the state's fastest growing companies, having demonstrated significant sequential growth yearly.

In addition the company was also ranked as South Australia's 21st largest company as featured by 'In Business' magazine.

"We are extremely proud to be an Adelaide based company with a very international outlook" said Bradley Dowe, CEO of Legend. "Legend has thrived in South Australia and we look forward to being an even bigger part of the state's economy" He added.

About Legend

Legend is a digital technology company that makes and sells memory and memory based consumer electronics products to customers across the globe. Legend's operations extend throughout Australia, New Zealand, South Africa, Singapore, Hong Kong, Thailand, Taiwan and Europe. Legend was established in 1989 and commenced manufacturing operations in 1993. Legend has manufacturing facilities in Adelaide (South Australia) and Singapore. Legend has a broad range of clients including Acer, Sony, Xerox, NEC and Dell, through to major Australian based computer systems integrators such as Volante, ASI and Optima. The Legend Digital range of consumer electronics offer customers innovative technology at prices they can afford and is available at major merchandising chains including Dick Smith Electronics, Kmart, Myer and Harvey Norman.
